

## Episode 119: Guest bio

**Episode name:** Regulating AI: Australia's Interim Response Unpacked

**Guest(s):** Raymond Sun

**RAYMOND SUN**

**Lawyer, Herbert Smith Freehills**

Ray is a technology lawyer at Herbert Smith Freehills, specialising in AI. Ray is also a programmer who has built software products, including apps like Auxtract and SyncTrainer, as well as a website that tracks AI regulatory developments around the world.

Ray is passionate about AI, and regularly creates tutorials and content about AI technology, ethics and legal issues on LinkedIn, Youtube and TikTok under his handle "techie\_ray". Learn more about Ray on his website [www.techieray.com](http://www.techieray.com)

**DAVID TURNER**

**Host**

David Turner has a gift for teasing out people's stories, so it's no wonder he is Hearsay's host. With a double Bachelor of Arts and Laws from Macquarie University, he is also an MBA candidate at UNSW's Australian Graduate School of Management.

When he isn't interviewing people on Hearsay, David is a lawyer at Assured Legal Solutions, a boutique financial services law firm located in Sydney's CBD. Prior to joining Assured, he was called to the NSW Bar, and is a former President of NSW Young Lawyers and a former Councillor of the Law Society of NSW.

David spends the little downtime that he has left reading historical fiction and tinkering on home improvement projects.

You can access David's bio on the Assured Legal Solutions website [here](#).
