

## Episode 70: Guest bios

**Episode name:** Prevalent and Insidious: the Sin of Coercive Control

**Guest(s):** Andrew Tiedt

**ANDREW TIEDT**

**Director, J Sutton Associates**

Andrew is a Director and Principal of J Sutton Associates. He is a Law Society of NSW Accredited Specialist in Criminal Law.

Before joining J Sutton Associates, Andrew was the principal of his own firm and prior to that was a director of a national law firm.

He has spent his entire career working exclusively in criminal law.

Unlike most lawyers who throw the word "specialist" around, Andrew is part of the select group of solicitors in New South Wales recognized by the Law Society as an Accredited Specialist in Criminal Law. For us, "specialist" is not just a word, it is a statement about the quality of the legal services we are committed to providing to our clients.

Andrew has acted for thousands of clients who had been accused of criminal offences. These matters have included high profile and sensitive prosecutions, matters of significant personal significance, and complex matters where expert advice and advocacy have made all the difference.

Andrew has experience across a wide range of matters. This has included appearing for persons charged with murder, sexual offending, fraud, serious driving offences, drug supply and possession, violence, and internet based offences. As well as his work in the higher courts, he has acted for many clients with less serious allegations, including driving and regulatory offending.

Andrew has appeared in criminal matters before the Supreme, District, Local and Childrens' Courts. He has also done quasi-criminal work before the Independent Commission Against Corruption (ICAC) Administrative Appeals Tribunal (the AAT), the NSW Civil and Administrative Tribunal (NCAT), as well as the NSW and Australian Criminal Intelligence Commission.

He has also acted in civil proceedings that are connected to criminal charges or criminal allegations. This has included applications for the freezing of assets, defending claims for damages arising out of alleged criminal offending, and acting for employees accused for defrauding their employers.

If you would like to request a consultation with Andrew Tiedt, get in touch with us on 02 8080 8055 and we would be happy to discuss your matter and how we will be able help.

DAVID TURNER

Host

David Turner has a gift for teasing out people's stories, so it's no wonder he is Hearsay's host. With a double Bachelor of Arts and Laws from Macquarie University, he is also an MBA candidate at UNSW's Australian Graduate School of Management.

When he isn't interviewing people on Hearsay, David is a lawyer at Assured Legal Solutions, a boutique financial services law firm located in Sydney's CBD. Prior to joining Assured, he was called to the NSW Bar, and is a former President of NSW Young Lawyers and a former Councillor of the Law Society of NSW.

David spends the little downtime that he has left reading historical fiction and tinkering on home improvement projects.

You can access David's bio on the Assured Legal Solutions website [here](#).
