

FOUNDING A LAW FIRM

A primer

At a certain point in your legal career there are three options...

1

Become a Partner at a firm.

2

Read at the bar.

3

Start your own firm.

The challenges of establishing and building your own law firm are both **immense** and **immensely rewarding**.

The Survival Guide

1

Ensure you have obtained an unrestricted practising certificate.

2

Complete the practice management course.

3

Set up your firm structure (eg. incorporated practice)

4

Notify the law society. Join the limited liability scheme.

5

Start practising!
