

Episode 16: Guest bios

Episode name: Managing Data Breaches and Cyber Incidents

Guest(s): Reece Corbett-Wilkins

REECE CORBETT-WILKINS Senior Associate

Reece is a leading member of global law firm Clyde & Co's cyber incident response team and has experience acting in a range of local, regional and global incidents affecting government agencies and organisations of all sizes, operating across all industry sectors. He also routinely advises boards and other senior members in the executive, legal, IT, risk management and public relations functions. In addition to his cyber practice, Reece acts for organisations in various professional indemnity related proceedings, with a focus on acting for financial advisors, brokers, and construction companies in complex and high profile proceedings.

You can access Reece's bio on the Clyde & Co website [here](#).

DAVID TURNER Host

David Turner has a gift for teasing out people's stories, so it's no wonder he is Hearsay's host. With a double Bachelor of Arts and Laws from Macquarie University, he is also an MBA candidate at UNSW's Australian Graduate School of Management.

When he isn't interviewing people on Hearsay, David is a lawyer at Assured Legal Solutions, a boutique financial services law firm located in Sydney's CBD. Prior to joining Assured, he was called to the NSW Bar, and is a former President of NSW Young Lawyers and a former Councillor of the Law Society of NSW.

David spends the little downtime that he has left reading historical fiction and tinkering on home improvement projects.

You can access David's bio on the Assured Legal Solutions website [here](#).
